October 7,1963.
WKAQ Radio El Mundo
Santurce, P.R.

G entlemen:

It has been a pleasure for us t o receved a report of our transmission at your area. We have a 5 KW ITA. transmitter with high level modulation(plate modulation) at a frequency of 580 Kc. Iam sure that you was listening to our radio station.
Thank you very much for your kind letter.

Very truly yours,

N. Serrano
Study Engineer
